In re Application of  
Dhanapal et al.

Application No. 10/731,047

Filed: December 8, 2003

Attorney Docket No. P3511

Title: Procedural Computation Engine for  
Providing Complex Calculated Data Results to  
an Object-oriented Server System Accessible  
to Service Clients and Agents over a Data  
Packet Network

DECISION REFUSING STATUS  
UNDER 37 CFR 1.47(a)

This is in response to the petition filed May 12, 2006, under 37 CFR. §1.47(a).

The petition under 37 CFR. §1.47(a) is DISMISSED.

Rule 47 applicant is given TWO MONTHS from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 CFR. §1.47(a)," and should only address the deficiencies noted below, except that the reply may include an oath or declaration executed by the non-signing inventor. **Failure to respond will result in abandonment of the application.** Any extensions of time will be governed by 37 CFR. §1.136(a).

The above-identified application was filed on December 8, 2003, without an executed oath or declaration. Accordingly, on December 13, 2005, applicant was mailed a "Notice to File Missing Parts of Nonprovisional Application - Filing Date Granted," requiring for the purposes of this decision an executed oath or declaration in compliance with §1.63, and a surcharge for its late filing. This Notice set an extendable two-month period for reply of February 13, 2006.

In reply, applicant filed a petition, the surcharge for late filing of the declaration, and a partially executed declaration. To make the reply timely, a three (3) month extension of time was also submitted. Petitioner has submitted \$130.00 towards the petition fee however, the current petition fee is \$200.00. Pursuant to petitioner's request deposit

account 50-0534 will be charged the \$70.00 difference.

A grantable petition under 37 CFR. §1.47(a) requires: (1) proof that the non-signing inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings); (2) an acceptable oath or declaration in compliance with 35 U.S.C. §§115 and 116; (3) the petition fee; and (4) a statement of the last known address of the non-signing inventor.

The instant petition does not satisfy requirement (2).

As to item (2), the signature block of inventor Sanjay Mittal contains non-initialed alterations to the declaration. A newly executed declaration without alterations must be submitted pursuant to 37 CFR 1.67(a)(2).
